1	Party Money (\$5.00)***	envelope

### Supplies can be brought to your child's Assessment Conference

\* We ask that each child has a calculator. The Texas Instrument 108 (TI 108) supports our curriculum nicely and will be **available for purchase at Assessment Conferences for \$5.00**. After school starts you may send the money to school with your child and we will see that your child gets one. Please label with your child's name in permanent marker. *These calculators will be used in grades K-4.*

\*\*We also ask that each child has headphones. Headphones purchased at school work best with our school computers. We will have headphones **available for purchase at Assessment Conferences for \$7.00**. After school starts you may send money to school with your child and we will see that your child gets them. Please label them with your child's name in permanent marker.

\*\*\*Payment for Party Money should be put in a separate envelope, labeled, and **payable to "Raven Stream Elementary"**. We need a separate payment FOR EACH CHILD because payments are collected by each classroom. *We appreciate this!*
